## DESCRIPTION

---

The clean, winning lines of this 26 metre open immediately impress anyone laying their eyes on her for the first time. Her well-balanced beauty is shown in her special personality, through which the aggressiveness which characterises all Riva opens transpires. This model is enhanced by the new Metallic Ice colour covering hull and deckhouse, creating a spectacular, high-impact effect. Owner and guests can enjoy more space, and a number of different areas for socialising, characteristics which make this yacht ideal for both long cruises and daily life on board. A large sundeck at bow features a dinette with a table for 6, whilst another table, which can also seat 6 guests, and a comfortable sofa, are located in the cockpit. The sundeck is perfectly integrated into the upper part of the deckhouse, so that it cannot be perceived from outside. It features a second steering position, ideal for mooring manoeuvres, and a sunpad with a reclining back which can accommodate 3 guests. The design of the furnishing elements, and the choice to match the special shades of elm and grey durmast with natural-coloured leather inserts and grey lacquering make this an attractive, welcoming environment, emphasising the spaciousness.
