DESCRIPTION

Typical example of a good 3 cabins 18 meters Flybridge with this recent Princess 60, which was built on a good specification. The Yacht is Commercially registered and operate on charter with a permanent Captain under close care of the owner, who on the other side is not saving any money in her maintenance to keep her in an excellent status. Excellent Family cruiser this Princess 60 has upgraded engines and a very polyvalent layout, which includes in her lower deck a third Twin cabin with electric sliding beds which can transform into three double cabins with three toilets layout.
