DESCRIPTION

This new project construction take-over is a unique opportunity for buyers looking for a new build and want to save time. Super strong construction standard for this ice classed yacht and bullish characteristic explorer design are the main attributes of Cosmo project. Now on a well advanced construction stage, she could be ready for 2022, and completed either in Italy or in Greece option let on buyers wish. The large volumes of this vessel are made for outdoor living including dining area, sunbathing, large observation deck with jacuzzi on beach club and even an extendable swimming platform. This 49,75 meters steel hull and aluminium superstructure will accommodate 14 guests in 6 suites. Contact us for more information.
