DESCRIPTION

The Princess F50, delivered in 2023 and maintained in as-new condition with only 320 engine hours, represents the perfect balance of performance and refinement. Powered by twin Volvo IPS 800 engines (600hp each), she delivers sporty handling combined with efficiency and comfort ideal for Mediterranean cruising. The main deck features a spacious, sociable cockpit seamlessly connected to the saloon and a well-positioned galley, creating an effortless flow for both indoor and outdoor entertaining. Expansive panoramic windows flood the interior with natural light, enhancing the bright and welcoming atmosphere throughout. Below deck, she accommodates up to six guests in three beautifully appointed cabins, including a full-beam owner's suite, a forward VIP cabin, and a twin guest cabin. Two elegant bathrooms with upgraded finishes complete the accommodation, offering both style and comfort.
