DESCRIPTION

Timeless and stylish interior and exterior design applied to spacious areas is introduced by renowned naval architect Enrico Gobbi at Team4Design. He perfectly combines original shapes with convenient functionality, providing the DREAMLINE 34, with the maximum level of comfort. DL YACHTS DREAMLINE features special "lama chine waveless hull" designed by Giuseppe Arrabito at Arrabito Naval Architects. Its ground-breaking shape tremendously reduces fuel consumption. Optional Eco Performance Technology powered by Siemens Hybrid makes navigation on DREAMLINE 35 pleasant and extremely silent. The noise and vibration level is barely perceived of both the engines and generators. Distinctive feature of the DREAMLINE 34 is an impressive owner's cabin on the main deck, offering a magnificent 180° panoramic sea view. A door to the starboard allows access to the foredeck from the owner's cabin.
