Description

A hymn to the family life on board Timeless elegance, with a magnificent harmony of form in her volumes and proportions, the 79-metre CRN Mimtee was designed as a family megayacht for experienced owner. The exquisite comfort of her high-end interiors for indoor and outdoor spaces - characterized by refined settings inspired to a marine chalet with the colours of the sea - complements the dynamism and crispness of her external lines. Huge volumes perfectly organized, because the time spent on board is not only a simple cruise but also life together for the entire season. Far away from the mainland, but close to their loved ones.
