## DESCRIPTION

---

A real Gentleman Superyacht, with truly great sailing capacity! This custom aluminium semi displacement Raised pilot house is a voluminous 197GT superyacht with a long range which has been launched in 1993 from Astilleros, a Spanish shipyard which is a renowned specialist of Aluminium construction. The Mefasa 35 meters has a sister ship but has been built with a deep V Hull, to offer the best seaworth sailing performance under the highest Lloyds standards for the royal Spanish family, she is a Yacht with a great pedigree history built to last, which even today keeps a very elegant and contemporary profile. She has had an extensive refit in 2005 and is maintained since then by her third owner in a very good aesthetic and technical condition, with regular maintenance jobs and a permanent crew onboard. Strong MTU engines, 5 cabins layout to accommodate in full comfort 10 guests served by 6 crews in an elegant massive dark wood and rich carpentry interior to complete the picture, to offer a true classical luxury Yachting experience. Contact us for more information.
