Description

The new Wallypower 58: The Ultimate open sport cruiser reinterpretation by Wally This groundbreaking addition to the wallypower line, marks the start of the revamping of the iconic Wally range. The Wallypower58 features pure lines dominated by the double chines in the hull and the air intakes. The yacht's interior is bathed in natural light from overhead, meaning there is no need for traditional openings to port or starboard. The superstructure of wallypower58 displays typical Wally DNA with its pillarless curved glass, broad side decks and ample guest areas that are open to the surroundings but protected from the sun, wind and water. Wally 20 Years ahead!
